# PRESSURE WASHER HOSE HTP-2C, SMOOTH

## LABEL.SPECIFICATIONS

Technické - Barva

Modrý

## LABEL.DESRIPTION

A hose with a blue housing that is intended for high pressure washers where high demands on pressure, temperature and flexibility are important. The tubing has an inner tube of synthetic temperature-resistant rubber and an outer tube of nut-resistant rubber. For workshops, flushing halls and sensitive environments. Ferrule 4200-11-xx, 4200-31-xx
