

1058-50

**HYDROSCAND  
T3081, NON  
CONDUCTIVE**

**SPECIFICATIONS**

Tube	PE	Temp max	100 °C
Cover	PU	Temp min	-40 °C
Reinforcement	Steelwire Kevlar	Color	Orange

**DESCRIPTION**

This hose is suited for hydraulics with very high pressures, e.g. high pressure pumps and heavy duty applications. Due to the inner tube of polyester, the hose will retain its flexibility in cold temperatures. NOTE! The maximum temperature for air and water is +70°C
