FERRULE P.T.F.E/TEFLON

SPECIFICATIONS

Material Stainless steel

DESCRIPTION

The Ferrule P.T.F.E/TEFLON is a high-quality hydraulic coupling designed for optimal performance. Crafted from durable stainless steel, this ferrule non-skive coupling ensures a secure and leak-free connection in hydraulic systems. Its robust construction provides excellent resistance to corrosion and wear, making it an ideal choice for demanding applications. Trust in the reliability and efficiency of the Ferrule P.T.F.E/TEFLON to enhance your hydraulic operations.
