SPECIFICATIONS

Material	Brass	Connection 1 - Camlock type	E
Shape	Straight	Shape	Straight

Related Item: 1435-00, 1439-00, 1469-20

DESCRIPTION

The Camlock E male hose fitting is a straight fitting from the Coupling - Camlock family, crafted from durable brass material. Featuring a male Camlock type E connection on one end and a hose fitting on the other, this product ensures reliable and secure fluid transfer in various applications. Its robust brass construction provides excellent corrosion resistance and long-lasting performance.
