## CONCRETE FITTING SYSTEM 22 FEMALE - FEMALE BSP THREAD, STEEL

### SPECIFICATIONS

<b>Material</b>	Steel	<b>Connection 1 - Sealing</b>	Gasket
<b>Shape</b>	Straight		

**Related Item:** 1464-10

### DESCRIPTION

The Concrete fitting system 22 has a straight coupling with female-to-female BSP threads, made of durable steel. It uses gasket sealing on one side and a G-type thread on the other for reliable concrete connections.
