ROUND BOLT CLAMP STEEL

SPECIFICATIONS

Material Steel

DESCRIPTION

The Round bolt clamp steel is a durable hose clamp made from high-quality steel, designed to provide secure and reliable fastening. Part of the Clamp - Hose family, this clamp offers strength and corrosion resistance, making it suitable for various industrial and mechanical applications. Its robust construction ensures long-lasting performance and dependable hose connections.

Item number	Dia. min	Dia. max
55600046	40 mm	46 mm
55600054	46 mm	54 mm
55600062	55 mm	62 mm
55600069	62 mm	69 mm
55600074	69 mm	74 mm
55600081	74 mm	81 mm
55600088	82 mm	88 mm
55600094	85 mm	94 mm
55600098	89 mm	98 mm
55600105	97 mm	105 mm
