

5560-10F

2-EAR CLAMP, STAINLESS STEEL

SPECIFICATIONS

Material Stainless Steel AISI 304

DESCRIPTION

The 2-ear clamp, made from durable Stainless Steel AISI 304, belongs to the Hose Clamp family. Its robust construction ensures reliable performance and corrosion resistance, making it suitable for secure hose connections in various applications. The stainless steel material provides longevity and strength, maintaining tight sealing under pressure.
