## D-RING NBR SUPERCAT FLANGE

### SPECIFICATIONS

**Material** Nitril

### DESCRIPTION

The D-ring NBR supercat flange is a sealing spare part from the Coupling family, crafted from durable nitrile (NBR) material. Designed for reliable performance, its robust construction ensures effective sealing in various industrial applications, combining resilience and flexibility for long-lasting service. Its distinctive D-ring shape enhances sealing efficiency and durability.

Item number	Size 1	Material	ID
56101312	3/4"	Nitril	25.4 mm
56101316	1"	Nitril	31.8 mm
56101320	1 1/4"	Nitril	38.1 mm
56101324	1 1/2"	Nitril	44.5 mm
56101332	2"	Nitril	63.9 mm
