

# 6105-B

## G-RED

### SPECIFICATIONS

<b>Material</b>	Steel	<b>Shape</b>	Straight
<b>Standard</b>	DIN 2353		

### DESCRIPTION

The RED model is a straight coupling adapter, crafted from durable steel. Its robust construction ensures reliable performance and longevity, making it suitable for demanding applications requiring secure and precise connections. The steel material provides strength and resistance to wear, enhancing the product's overall durability.

Item number	Size 1	Size 2	Pipe dim. 1	Pipe dim. 2
