### SPECIFICATIONS

<b>Type 1</b>	Male	<b>Connection 3 - Sealing</b>	O-ring and washer
<b>Type 2</b>	Male	<b>Shape</b>	L
<b>Type 3</b>	Adjustable male	<b>Material</b>	Steel

### DESCRIPTION

The Adjustable L-Adaptor BSP is a steel coupling designed for versatility and durability within the Coupling - Adapter BSP/mm/npt family. Featuring an L-shaped, adjustable design, it includes male connections on both ends and an adjustable male connection with O-ring and washer sealing for secure and leak-resistant fittings.
