J WE-METRIC ELBOW

SPECIFICATIONS

Type 1	Male	Shape	90°
Type 2	Male	Material	Steel
Connection 2 - Sealing	O-ring and washer	Standard	ISO 8434-2

DESCRIPTION

The J WE-Metric is a steel coupling adapter from the Coupling - Adapter ORFS and JIC family, featuring an adjustable design with a 90° shape. It ensures secure connections with O-ring and washer sealing, combining durability and reliable performance for demanding applications.

Item number	Pipe dim. 1	Size 1	Size 2	Wp	Weight
